Mission: The mission of Bethel Baptist School is to provide a God-honoring, Christ-centered, Bible-based education for kindergarten through twelfth grade students. We endeavor to accomplish this by seeking to assure that each student has a personal relationship with Christ, educating each student through superior academic and extracurricular programs, ministering to the family that each child represents, and helping all of our students find God's will for their lives.

Vision: Bethel Baptist School is a community of learners where knowledge is applied, and all students and staff are supported in continual personal and spiritual growth, scholarship, and leadership. Bethel Baptist School provides an environment that is Christ-honoring, safe, welcoming, and challenging - where everyone has a voice, a sense of belonging, and school pride. Bethel Baptist School actively reaches out to our parents and families with the Gospel, involving them in the learning process.
